

AYUSH GANGWAR

Aspiring Security Consultant

+91 9456935585 arya119000@gmail.com Bareilly, India 243001

SUMMARY

I am a dedicated and proactive BTech student currently in my 3rd semester specializing in computer science and technology. With a strong focus on cybersecurity, I aspire to become a Security Consultant. I have developed skills in ethical hacking, network security, and data protection, and I actively participate in hands-on projects and research. My commitment to continuous learning keeps me updated with the latest trends in information security.
